In addition, CENTURY 21 affiliated broker owners serve as mentors for the scholars and offer them the opportunity to learn the real estate business.

A rising star in real estate, Maribel has achieved success in such a short time. She received her real estate license in 2016 and hasn’t looked back. Within two years, she was recognized as a top-producer nationwide with the coveted CENTURY 21® Masters Ruby Award.

MEET OUR NEW AGENTS

**Mike Udoessien**

Mike was born and raised in Dallas. He received a bachelor’s degree in finance from the University of North Texas and an MBA from the University of Phoenix. Prior to a career in real estate, he was a credit analyst for a top automobile corporation. He has also served as a bank manager and loan officer for Bank of America.

“When I was looking for a real estate office, I was deciding between Keller Williams and CENTURY 21 Mike Bowman, Inc.,” Mike said. “I chose Bowman due to its reputation as a top broker within the CENTURY 21 System and North Texas.”

Mike and his wife Shantell are the proud parents of a 1-year-old daughter and are expecting another child later this year. When not selling real estate, Mike loves spending time with his family and is a “big fan” of the Dallas Cowboys and WWE wrestling. “LOL! Yes, I'm a wrestling fan.”

**Mickie Terrell**

Mickie grew up in Azle, TX. She attended the Grand Canyon University and is finishing her degree at Texas Western Governor University. She looks forward to using her Waldorf education training to help make an impact in Texas education and help each child reach their full potential.

Mickie has worked in education, the insurance industry, customer service and telemarketing. She has a remodeling business and is a substitute teacher with the Fort Worth ISD specializing in children with emotional behavior disorders.

Mickie and her husband have a blended family who keeps them busy. Together, they have six children, and six grandchildren (and another on the way), and dog Sugar.

Mickie is an active member of the Church of Jesus Christ Latter Day Saints and Ladies Auxiliary. She also volunteers with the Fort Worth ISD. “I really felt led by the spirit to get into real estate and was led by the same spirit to Mike Bowman,” Mickie said. “I've always loved helping people. And I feel that I can achieve that through a career in real estate which is a tremendous blessing to me.”

When not selling real estate, Mickie loves to study and learn about people and cultures. She is a life-long learner and enjoys traveling to new places. She also enjoys cooking for her large family and spending time with them. Her Sunday dinners require two tables now with a growing family!

**Kelle Tracy**

Born and raised in Fort Worth, Kelle graduated from Boswell High School and received a bachelor’s degree in marketing management. With more than 20 years with American Airlines as a buyer, analyst and planner, she retired in 2016.

Kelle has been a licensed REALTOR since 2007. “I chose Mike Bowman for the training program and the company’s support and assistance,” Kelle said.

Kelle is a member of the Daughters of the Republic of Texas (DRT). Founded in 1891, the DRT is the oldest patriotic women’s organization in Texas and one of the oldest in the nation. Their mission is to encourage research into the rich history of the Republic and state of Texas.

Kelle and her husband Paul are parents to Tiffany, Jeremy and PJ. They are proud grandparents and also have two chihuahua mixes, Lucy and Lil Ricky. In her spare time, she loves to travel and spend time with family.

**Sarah Thwaites**

Growing up, Sarah has lived in so many different places including several islands in the Caribbean and New Jersey before moving to Colleyville. She brings a wealth of experience in marketing from Southern Methodist University and the University of Arkansas. She has also served as a medical assistant for several doctors in DFW including the Dallas Cowboy’s pain management physician.

Sarah volunteers with several organizations including Love Your Melon, which provides hats and scarves to children battling cancer around the country. She is currently coordinating a Fun Run in honor of a friend who died in a 2018 helicopter crash in the Hudson River in New York City.

Sarah has two Westies named Tucker and Tinker. In her free time, she enjoys volunteering and planning fundraisers and events.
MEET OUR NEW AGENTS

Tonya Kiker
A native of Cheyenne Wells, Kansas, Tonya grew up in Cassville, Missouri. She graduated from the Southwest Missouri State University in Springfield and moved to the DFW area to be closer to her family.

Although newly licensed, Tonya is no stranger to the real estate industry. She has worked in the commercial and residential title industry for more than eight years.

Tonya’s passion for real estate also runs in the family. Award-winning, veteran agent Wilene Norris is her mom!

“I chose Bowman because he is the cream of the crop in real estate,” Tonya said. “I also chose Bowman because my mother Wilene has been a successful REALTOR with Bowman for more than 25 years. I am excited about the opportunity to work alongside with her as well as learn from her.”

In her spare time, Tonya enjoys spending time with her family including Gus and her son James who is a senior in high school. She also enjoys traveling, walking to the park and water volleyball!

Vanessa Sturgeon
Vanessa was born in Miami and grew up in Seattle. She and her husband relocated to the DFW metroplex in 2007 because of her husband’s job with Oncor and her work with ADP.

She earned a degree in business management from the University of Washington. She has more than 20 years of experience in human resources and payroll with a certification as a payroll processor. She worked for 15 years as a compliance officer with ADP Human Capital Management.

Vanessa has been a REALTOR for more than two years. “The Real Estate Industry is my passion,” Vanessa said. “After my experience with buying, selling and building homes, it only reinforced my desire to become an agent and to serve others. I enjoy building relationships both personally and professionally. The culture and community at Bowman align with my values and work ethic. I am very happy and proud to be part of this organization.”

Vanessa and her husband Ryan have two active sons Rhys (4) and Jack (7). They also have two cocker spaniels Benny Bear and Chewy, and two Shi Tsu’s Penny Lane and Gracie.

In her spare time, she volunteers at her children’s schools and is active with the Argyle ISD community. She enjoys road trips and traveling to warm beaches. She is a “foodie” and likes exploring new restaurants as well as outdoor markets and artisan fairs. She also enjoys DIY projects for home and science experiments with her boys.

Kirsten Dietz
Kirsten grew up in the HEB area and is a LD Bell High School alum! She received a degree in business management from the University of Texas at Arlington. Before launching a career in real estate this past year, Kirsten worked in retail management and served as an account executive and purchasing agent. She also served as an early childhood educator.

“I’ve always wanted to be a real estate agent but had to put it on the back burner,” Kirsten said. “Growing up in Bedford, every for sale sign that I ever saw was a Mike Bowman sign! I am so excited to be here.”

Kirsten and her husband celebrated their 23rd anniversary and have six children and two dogs. She is an active member of the PTA and a Sunday School teacher at St. Barnabas United Methodist. She has also served as team mom for her kids’ various sports teams. With six kids Kirsten doesn’t have too much free time, but when she does find spare time, she enjoys reading and gardening.

Prior to a career in real estate, Mike served as a manager of audits and compliance with the American Airlines and American Eagle Regional Group.

"Fernando Ramsey was my agent when I purchased my home in Cedar Hill," Mike said. "Several people were calling me once I registered to take my real estate exam, but Fernando convinced me to come to Bowman. He is not only a great friend but a great agent. I hope to be as successful as he has been in real estate!"

Mike and his wife Mary have four adult children with their youngest at 20 years old. They love to travel and spend time with their kids in Tuscon.

Veronica Hollingsworth

A native of Fort Worth, Veronica grew up in East Texas. After graduating from Texas A&M University-Commerce, Veronica relocated back to DFW for work. A finance specialist, she has more than 22 years of accounting experience with 18 years serving the construction industry as well as 4 years with a Dallas CPA firm.

"I chose Bowman because of his reputation in the real estate world," Veronica said. "I have a friend who is an agent here as well that spoke very highly of Mike and the company. After meeting him, I immediately picked up on his very humble demeanor and genuine heart, and I loved his witty sense of humor."

Congratulations to Veronica on her upcoming June wedding! She is planning a destination beach wedding in Riviera Maya, Mexico. She is not only excited about her upcoming nuptials but also with her new role as step-mom to Courtney, who is 16 years old.
